In addition, I will send resort waivers to the coaches. Please sign and give that back to your coach so he/she can turn it in to the Head Coaches upon arrival. Athletes who fail to complete both forms **will not** be allowed to race.

Transportation: All athletes will be transported by their home clubs. Please check with your home coach regarding the details of that.

Once again, congratulations to all of you who qualified for the IMD Team.

Intermountain believes that the effectiveness of its competitors depends on the cooperative environment that has been fostered between all of the clubs.

We believe that a competitor's success depends upon his/her ability to function effectively within the team that he/she is a part of at any given event and with the coaches for that team.

We believe that a coach's success depends upon his/her ability to work successfully with athletes regardless of their club affiliation or potential for success.

To that end, Intermountain organizes its teams to the U16 Regional Championship as a fully integrated team with all athletes and coaches working together on to maximize the results of every athlete in IMD. The affiliation of all athletes and coaches at these events will be Intermountain. IMD Coaches understand that as a member of the Intermountain coaching staff for a project, they have an obligation to cooperate with the remainder of the staff in executing the program that is agreed to, and that they have an obligation to all of the athletes involved in the project. Wear your IMD Team jacket proudly!!
